RE: Letter to the Editor

The TEACH Foundation applauds the generous restaurants that recently donated terrific menus and excellent chef demonstrations for the TEACH Cookin' For Kids series. Gigi's Café, Mission Grill, 1865 and Gardens of Avila Restaurants paired with See Canyon Vineyards, Calcareous Vineyards, Talley Winery and Tobin James Vineyards.

The TEACH Foundation has awarded 17 minigrants to teachers in the San Luis Coastal School District this fall. Over 2300 local students will benefit from projects in the arts, drama, mock trial, trout recovery, ag shed, drug and alcohol abuse prevention, reading, history and more! Founded in 2001 to benefit children in the San Luis Coastal School District, TEACH is becoming a dependable source of supplemental funding! Thanks to hundreds of TEACH supporters, the dream is happening!

More TEACH minigrants will be awarded in late February, 2004. And the 4th Annual TEACH Telethon will showcase hundreds of local school children on March 6th. For more information visit the TEACH website at www.TheTEACHFoundation.org.
